

ORENCIA[®] SC (abatacept) My Rheumatoid Arthritis Diary

Over a 6-month period (minimum) your healthcare team may ask you to complete this treatment diary each week. It is designed to help you measure the effect of ORENCIA SC on your rheumatoid arthritis (RA).

Please remember to bring this record with you to your appointments with your healthcare provider.

This record should not take you long to fill out each week. By answering the questions inside regularly, you will have a record of your treatment to discuss with your healthcare team.

Week 1 **Date:**

(0 is no pain and 10 worst pain ever):

Circle the area affected and speak to your physician.

Week 2 **Date:**

(0 is no pain and 10 worst pain ever):

The illustration shows a worksheet titled "How much energy?". It features a color scale from red (low energy) to blue (high energy). Below the scale is a drawing of a person running, labeled "How much energy?". The worksheet has several lines of text and a small table.

A printable interactive version of this diary is also available at: **www.myORP.ca.**
